[Receipt Notification of Manuscript submitted to IEICE Transactions]

December 05, 2025.

Temporary ID: 2025120500029

Paper/Letter: Paper

Issue: ED

Regular/Special: Regular

Title: Compactness of Finite Unions of Regular Patterns and Regular Patterns without Adjacent Variables

Dr. Tomoyuki UCHIDA

Hiroshima City University

Dear Dr. Tomoyuki UCHIDA,

Thank you for your contribution of a manuscript to the IEICE Transactions.

By submitting the above manuscript, you have been assumed to agree with the contents of Information for Authors <[https://www.ieice.org/eng\\_r/transactions/transactions\\_including\\_elex\\_comex\\_and\\_nolta.html](https://www.ieice.org/eng_r/transactions/transactions_including_elex_comex_and_nolta.html)>.

Note that all copyrights of the above manuscript, including the rights in electronic publishing, have been transferred to the IEICE because you ticked the checkbox for Copyright Transfer, Article Processing Charge Agreement, Notices from the IEICE, and Privacy Policy.

We do not accept replacement of received manuscript by another one.

You will be able to check the status of your submitted manuscript after you receive the [Receipt of Manuscript] mail with your manuscript ID later.

Any further question, do not hesitate to ask the IEICE Transactions Section with your manuscript reference number, being issued and described in the [Receipt of manuscript].

IEICE Transactions Section:

Trans. on Fundamentals: trans-a@ieice.org

Trans. on Communications: trans-b@ieice.org

Trans. on Electronics: trans-c@ieice.org

Trans. on Information and Systems: trans-d@ieice.org

Sincerely yours,

Editorial Committee,

The Institute of Electronics, Information and Communication Engineers
